Dear Victoria,

RE: APPRECIATION

I write to relay our appreciation to accept to partner with us. Your contribution to our school has immensely made remarkable positive impact amongst our students and members of staff.

The sponsorships for our teachers' workshops at Strathmore University for the Principal in April, the teachers in various workshops and mentoring some of our students cannot go unnoticed.

Your acceptance and the invaluable advice to F1 and F2 students during the talks on career guidance were very touching and memorable.

Once again, thank you. God bless you.

Yours sincerely,

Richard M. Wangai

Principal, St. Michael's Secondary School
